**CITATION I OPERATORS VISIT AVFAB AT NBAA BOOTH #3801 FOR A
CHANCE TO WIN A LOUNGE SEAT EXTENSION KIT
VALUED AT OVER \$4800**

Clinton, MO – September 23, 2003 – Citation I operators should be sure to visit AvFab at Booth #3801 for their chance to win an AvFab Lounge Seat Extension and installation kit* valued at over \$4800!

The AvFab Lounge (Barrel) Seat Extension kit increases the functionality of the Citation 500/501 by utilizing wasted space in the cabin to convert the factory Lounge Seat in to a Two-Place Divan. As is the case with every AvFab seating product, the Lounge Seat Extension is certified for occupancy during take off and landing. This makes the kit a must for any Citation I operator. With AvFab's "quick release" mounting, the Lounge Seat Extension can be quickly and easily installed when the passenger load requires an additional seat. Operators may remove the extension to conveniently return the cabin to its original configuration when the extra seat isn't needed.

The Lounge Seat Extension is manufactured under AVFAB's PMA and is FAA certified under STC #SA4054SW&ST00283WI eliminating complicated field approvals necessary with other seats. Kit includes seat belt and shoulder harness, machined track feet, and complete installation instructions.

AvFab is an FAA-PMA producer of custom aircraft seating, and also specializes in the inspection, repair and overhaul of corporate aircraft interior components. AvFab's sister company, Central Airmotive, is a comprehensive supplier of Original Equipment Manufacture interior products such as seats, divans, tables, toilets, cabinets and dividers. Central Airmotive currently has over 60,000 sq. ft. of OEM seats and cabin components. Together they represent a "one-source" solution to any corporate aircraft interior need. For more information on the Citation Lounge Seat Extension kits or any of the products offered by AvFab, please call (660) 885-8317.

*Offer excludes installation, upholstery and tax. Offer expires October 9, 2003. Must be a Citation I operator to win.
